20 YEARS
A NEW AGE
A NEW BUFF®

FLAT IS BORING

20 YEARS. A NEW AGE. A NEW BUFF®

*The world isn't flat.
It has irregular and uneven planes.
Its forms are in perpetual movement.
The changes are natural.
Changes stemming from its own evolution.*

*Changes that drove us to rise to new heights.
Because after 20 years, we too have evolved.
Grown.*

*Faced new challenges.
Creating a new age.
And a new image.*

*Like our logo.
A logo that hasn't changed since 1992.
But it has evolved.
Without ever losing its original attitude.
In each and every one of the Buff® product lines.*

*An image that changes.
And fits.
That says the same.
But in a different way.
Conveying the same as always.
To those that have always been by our side.*

*The world will continue to change during this
fall-winter season.
And we'll change with it.*

FLAT IS BORING

FLAT IS BORING®

FLAT IS BORING®

*No matter where you're going or where you're headed,
there are always, at least, two ways to get there.
There's always the flat route, the monotonous one, the safe one.
The one that everybody uses because it doesn't require any
thought.
Or excite you.
Or stand out.
Or provoke any feelings.
Or create any memories.
It's a well-trodden, foreseeable and tremendously mundane
path.
It's the boring way.
Boring.
Boring.*

*Fortunately, there's always the other route.
The one with the fluctuating elevations.
The one that sometimes takes you on the high road.
And others on the low road.
It's the ever-changing route.
The one that presents a challenge.
That surprises you.
Over.
And.
Over.
Again.
The one that gives you stories to tell.
The one that chooses the people that are worth knowing in life.*

*In Buff, we want you to have fun.
Living your life as intensely as you deserve.
That's why, we dare you to vary your routes and vary your
heights.*

*Because at times life takes you up.
And at times it brings you down.
... because **Flat is Boring**.*

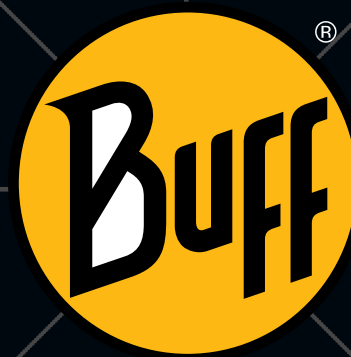

FLAT IS BORING

NEW PRODUCTS

INFINITY

The new Infinity Buff® stands out for several reasons; fashionably long, has great sporty style, and is incredibly versatile. What's more it's also made from 100% recycled polyester from plastic bottles.

NECKWARMER KNITTED & POLAR FLEECE REVERSIBLE

2 sides, 2 styles. A reversible tubular; one side Polar fleece, the other knitted. Wear this new neck warmer in many different ways, either for a sports or for day to day casual wear.

NECKWARMER KNITTED REVERSIBLE

2 sides, 2 styles: a reversible knitted tubular product which features a either a pattern or cool graphics on each side. Wear it to suit your style, mood of the day. Coupled with unique designs and the coolest freestyle graphics, this versatile accessory can be worn as far more than just a neckwarmer including a beanie, over the mouth or as a headband.

HEADBAND KNITTED & POLAR FLEECE REVERSIBLE

2 sides, 2 styles.
Knitted & Polar Fleece
Combining a traditional knit with the latest fabric technology for superb warmth and performance.

HEADBAND KNITTED REVERSIBLE

2 sides, 2 styles: a reversible knitted headband product which features either a pattern or cool graphics on each side. The cool look (with the coziest ears) on the snowpark.

BANDANA KETTEN

A technical Bandana made with an extremely lightweight fabric which offers great protection from the sun and cold whilst displaying loads of personality through our unique freestyle graphics. Technical performance with style – ideal for the snowpark.

BANDANA KNITTED & POLAR FLEECE REVERSIBLE

We have reinvented the bandana to give a vintage look, one side with maximum thermal protection, on the other without compromising on style or the coolest graphics.

PRODUCT STRUCTURE

Microfiber Polartec®

Polar Buff® is a microfiber tubular sewn to a Polartec® Classic 100™ microfleece that transforms it into a cold weather accessory.

Die Polar Buff® Kopfbekleidung wird aus einem Teil Microfaser und einem Teil sawn Polartec® Classic 100™ Microfleece gefertigt, das ideal vor kalten Temperaturen schützt.

Es un tubular de microfibra cosido a una pieza hecha con forro polar Polartec® Classic 100™ que mantiene la temperatura corporal y combate la pérdida de calor.

POLYGIENE®

Longer freshness, no unpleasant odours caused by bacteria. Environmentally friendly solution.

TECHNICAL FABRIC PROPERTIES

PRODUCT STRUCTURE

Microfiber Polartec®

It is a double-layer construction made of microfiber backed by soft microfleece that creates an air cushion to prevent heat loss.

Das ist eine 2-lagige Kopfbekleidung, die aus sehr elastischer Microfaser und weichem Microfleece besteht. Das Produkt ist wendbar und bildet ein Luftkissen, welches für mehr Schutz vor Kälte sorgt, womit die Körpertemperatur ideal reguliert und Wärmeverlust vermieden wird.

Es un tubular reversible, por un lado de microfibra y por el otro de forro polar.

You can multiply the ways to wear by reversing it in three different ways:

- microfiber inside and fleece outside.
- fleece inside and microfiber outside.
- pull microfiber away from fleece for a half microfiber/half fleece effect.

Die Tragevarianten können vervielfacht werden, je nachdem wie das Tuch gewendet wird:

- Microfaser innen, Microfleece aussen.
- Microfleece innen, Microfaser aussen.
- Die beiden Lagen trennen, so dass eine Hälfte Microfaser und die andere Hälfte Microfleece ist.

Se puede incrementar las formas de llevar este producto, girando la pieza:

- Microfibra por fuera y forro polar por dentro
- Forro polar por fuera y microfibra dentro
- Tirar de la parte de microfibra para fuera, quedando la mitad de microfibra y la mitad de forro polar.
